**PETITION UNDER 37 C.F.R. 1.181 TO WITHDRAW HOLDING OF ABANDONMENT
IN ACCORDANCE WITH MPEP §711.03(C) AND 1156 O.G. 53**

Sir:

As set forth in MPEP § 711.03(c) and 1156 O.G. 53, Applicants hereby petition to have the holding of abandonment of the above-identified application withdrawn. The application was held to be abandoned for failure to respond to an Office Action mailed April 5, 1999. The following materials are submitted in support of Applicants' petition:

1. A copy of a Continued Prosecution (CPA) Request Transmittal and Petition and Fee for Extension of Time (37 CFR 1.136(a)). The required fees were paid at the time of transmittal and both documents were mailed by Express Mail to the Assistant Commissioner of Patents, Box CPA, Washington, DC 20231 on October 5, 1999; and

2. a copy of our return postcard from the United States Patent and Trademark Office showing that the Patent Office received the aforementioned Continued Prosecution (CPA) Request Transmittal, Petition for Extension and check in the amount of \$2,158.00 on October 5, 1999.

3. We note that the Notice of Abandonment of the parent was apparently mailed on October 13, 1999, eight days after the CPA and Petition were received in the Patent Office. It was therefore expected that prosecution would proceed on the continuation application. At this point no further communications have been received, however, and it is presumed that this case has been inadvertently misplaced or lost. The matter was only recently discovered in response to an inquiry from the Applicant.
